Meeting June 8 – Caren Garner

The next Conway League of Artists meeting will be **June 8th at 6pm** at the Faulkner County Library.

Caren Garner will present "Using Acrylic Paints in a Watercolor Style." She will share her techniques and secrets to achieve a "watercolor look" when using acrylic paint. (See images of her work to the right.)

Caren has done murals for several Little Rock restaurants. She now resides in Hot Springs. Her work has won numerous awards and she is currently represented by American Art Gallery in Hot Springs.

We look forward to seeing you there! This will be a presentation you won't want to miss! If you would like, please bring drinks or snacks to share.

ART of the Month

No Art of the Month for June (due to lack of volunteer to coordinate placement of paintings).

Currently there are 5 pieces of artwork on display in Conway for this month, which are still on display from the previous months.

Oops - not again! Logan Weaver's name was incorrectly reported in last month's newsletter as Layton Weaver. LOGAN Weaver had a piece in AOM.

Spring Show

The Viewer's Choice Award for CLA's spring art show is now online and votes are stacking up!

A link to vote is available here: conwayleagueofartists.com

Voting will continue through June 3, and show pick up is scheduled for June 4.

Call for Board Members

We need YOU!

PLEASE READ

This is from Leslie Collier and I was elected president in the Summer of 2020 and **as my term is coming to a close, I am making an urgent plea for members to be willing to serve on the Conway League of Artists board.** We have several positions open but no nominations for any of the positions. If we do not have members willing to commit to helping with this group, we will be unable to offer our Fall and Spring shows, artist presentations, Art of the Month, or other events. We have to have a board to enable this group to function and thrive. The future of this group depends on this.

That is where you come in. Please set aside self to keep this group going. Even if you have served already before, consider serving again. Never has this group needed you more than right now. If this group ever helped you make a connection, sell a painting, learn something awesome from a presenter or class, or just enjoy yourself around other artists, let's not let that end now.

We have several board positions to fill including president, vice president, secretary, treasurer, show chair, and member-at-large. You don't need experience or special skills, just a willingness to want to help out.

Please nominate yourself or someone else for one of these positions as soon as possible. If you are nominating someone for a position, please contact that person first before sending in your nomination. As we are approaching CLA's 50th anniversary in 2023, let's make sure that this group continues going strong for many years to come.

Please email your nominations to Leslie Collier
